ABOUT US

We are passionate about photography.

Corporate and Commercial photography, including art direction and design, through to sourcing talent and developing a detailed brief through client collaboration.

Saffron Asia Media is a visual content creator. A company based primarily in Bangkok with a focus extending throughout the region and beyond.

Always with your vision in mind.

FOOD & BEVERAGE

While licking our lips we ask:
"Give me your fabulous
cocktails, your frosty beers,
your top shelf liqueurs
yearning to breathe life
into a tasty beverage.
The delicious cuisine from your
busy kitchens.
Send these, the exquisite, the
shaken, the stirred, baked and
grilled to me. I lift my lens into
the golden light..."

HOSPITALITY

Seeing is believing and an important factor when customers are choosing a place to stay.

We provide photography and video services for hotels, showcasing your property's unique vision and style.

Whether you need new images for brochures and print, sharing on social media or your website, we deliver high quality content so you stand out from the crowd.

For more information, give us a call or contact us via email and we will start the ball rolling on how to deliver your hotel the best images possible.

And we love your coffee too...

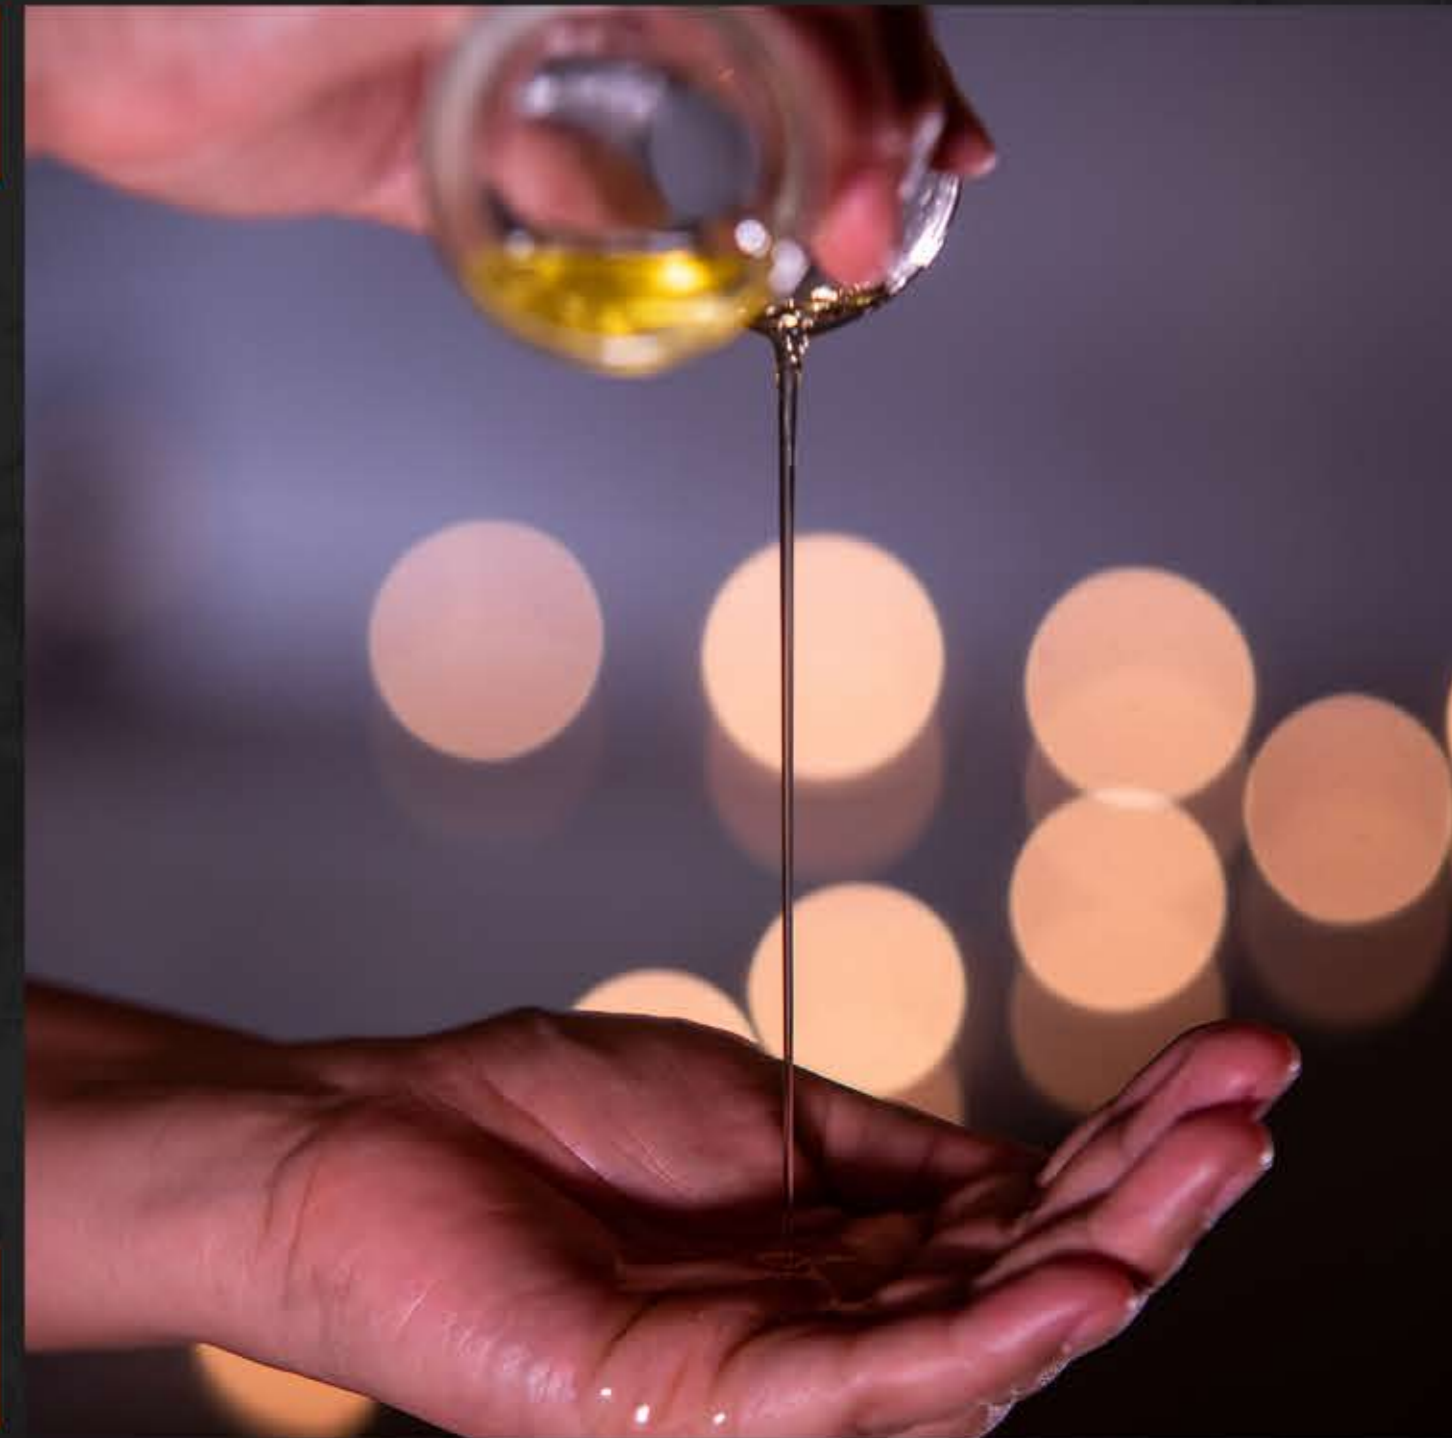

SPA

Everyone loves a Spa!

Relax.
We have you covered.

Our experience in photographing and filming spas gives us the expertise to make your day as chilled as a glass of the finest bubbly.

So light the candles and incense and get in touch.

WORKPLACE

Need to showcase your office space, factory, corporate culture or maybe the team in action?

Does your current image library reflect your brand ?

Our deliverables include a variety of wide and close-up shots including: work environment, headshots, staff meetings, and the leadership group.

AERIAL PHOTOGRAPHY

Adding grandeur, scale and an alternative view. Our experienced & qualified drone pilots will get high for you!

PEOPLE

People do make the world go around!

And we love to turn our lenses to you and help tell your story.

Smiling, laughing.
At work or at play.

Young, old or somewhere in-between we aim to show your clients, friends and family the inner beauty shining through...

It's definitely time for your close-up!

TRAVEL

As creators we seek the vistas, people and places where imagination & creativity collide.

Travel is essential part of what we do. By combining local knowledge with world class standards we will go as far as it takes to bring back the right image for your business.
